To Whom It May Concern:

RE: Curt Freedman

I have worked with Mr. Freedman on a very complex HVAC/toxic environment case. I found Mr. Freedman to be thorough, intelligent, and energetic in his review of the issues in the case. Further, he was always very responsive to my requests for on-sight inspections or for information regarding the case.

The details of the case are protected by a very stringent confidentiality order. I can report, however, that the case settled in a satisfactory manner in large part due to Mr. Freedman's work.

Very truly yours,

RisCassi and Davis, P.C.
